

COLLER DEEP TECH MBA CALENDAR

- The schedule is subject to change due to academic, operational, or external considerations.
- Additional assessment submission dates will be communicated separately in a dedicated assessment schedule.
- Attendance during Peak Weeks is mandatory.
- Attendance for online sessions is subject to the discretion of the lecturers and the program administration. Please refer to the course syllabus or the lecturer for further details.
- All times listed in the timetable are in Israel Standard Time (IST). Students are responsible for adjusting to their local time zone where applicable.
- The program reserves the right to make adjustments as necessary.
- Changes may occur due to extraordinary circumstances beyond the university's control.
- Sessions are delivered in person and are not recorded unless explicitly stated otherwise.
